October 2021

Dear parent/guardian,

Parkdale Secondary College is looking forward to another great year of teaching and learning and would like to advise you of Parkdale Secondary College's voluntary financial contributions for 2022.

Parkdale Secondary College makes every effort to keep contribution requests to a minimum and affordable for all parents.

Attached to this email is the contribution schedule for students in year 7, 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing financial support of our families ensures the long term viability of vital programs, facilities and support for our students.

Parent financial contributions ensure we can continue to provide the following at our school in 2022:

- High quality sportsgrounds, gym & theatre.
- Air conditioning and wireless projectors in every classroom.
- Literacy & Numeracy support programs.
- Wellbeing staff and programs for counselling, engagement and support of student mental health.
- State of the art equipment such as 3D printers, laser cutters and IT software.
- Best practice interactive teaching and learning resources.
- Community events for VCAL, Visual and Performing Arts programs.
- Community links programs such as CONNECT, Learning Journeys and careers pathways.

For further information of the Department of Education's Parent Payments Policy please see the attached one-page overview.
