Dear Parent/Guardian,

Parkdale Secondary College is looking forward to another great year of teaching and learning and would like to advise you of Parkdale Secondary College's voluntary financial contributions for 2024.

Parkdale Secondary College makes every effort to keep the cost of items and activities to a minimum and affordable for all parents.

Attached to this email is the contribution schedule for students in Year 10, 2024.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing financial support of our families ensures that our school can offer the best possible education, programs, facilities and support for our students.

Parent financial contributions ensure we can continue to provide the following at our school in 2024:

- High quality sportsgrounds, gym & theatre.
- Air conditioning and wireless projectors in every classroom.
- State of the art equipment such as 3D printers, laser cutters and IT software.
- Literacy & Numeracy support programs.
- Wellbeing staff and programs for counselling, engagement and support of student mental health.
- Best practice interactive teaching and learning resources.
- Community events for VCAL, Visual and Performing Arts programs.
- Community links programs such as CONNECT, Learning Journeys and careers pathways.
